

June 2017 Finals/Regents Testing Schedule / Transportation Schedule

Accessible online at:

<http://www.mtsinai.k12.ny.us/highschool>

May 22, 2017

Dear Parents / Guardians / Student:

With the fourth quarter progress report period ending this week, Wednesday, May 24, the high school staff and administration are preparing for the various events that accompany the close of a school year. That said, I would like to take this opportunity to provide you with information related to end of the year testing.

The June end of year testing information will be communicated to parents and students via Mount Sinai High School's website. Parents and students can access the **June 2017 Finals/Regents Testing Schedule** and the **Transportation Schedule** at <http://www.mtsinai.k12.ny.us/highschool>. For those who do not have Internet access, hard copies will be available in the high school's main office.

For obvious reasons, security at the high school will be strengthened during the testing weeks of June 12 through June 22. Subsequently, students are reminded that backpacks, duffle bags and similar items will not be permitted past the main entrance security desk. Likewise, students will be required to tag and surrender their cell phones upon arriving to their assigned testing locations. Upon completing their exams, students can retrieve their cell phones.

Lastly, please be advised that all lockers will be secured at 3:00 p.m. on Friday, June 9. **Therefore, students should remove all belongings from their lockers prior to the end of the day on Friday, June 9.** With that in mind, students are also reminded to return all school issued items (textbooks, calculators, uniforms, etc.) to the appropriate staff member.

In conclusion, as we progress closer to the end of the fourth marking period and end of year testing, students' attendance for instruction is essential to their strong finish and preparation for exams. Likewise, please encourage your child to take advantage of extra help opportunities as necessary.

Thank you for your continued support and assistance. Should you have any questions or concerns related to any of the above, feel free to contact me at 631-870-2800.

Sincerely,

Robert M. Grable
Principal
