EDUCATIONAL SERVICES

July 31, 2018

Dear Parents / Guardians and Student:

I hope this letter finds you well and enjoying the summer vacation. While July and August provide us with opportunities to spend quality time with family and friends, we also use this time to prepare for the upcoming school year. Before we know it, September will be upon us.

The above said, the purpose of this letter is to invite all incoming ninth grade students to our ***Freshman Summer Orientation*** program scheduled for **Thursday, August 23, 2018, from 10:30 a.m. until 12:00 p.m.** in the high school auditorium. At this time, your child will meet with student leaders, guidance counselors, and administrators who will provide incoming freshmen with information to assist them with their transition to the high school.

Prior to August 23, students will receive their academic schedules, which will note locker numbers and combinations. Students are reminded to bring this information to orientation on **August 23** to confirm the combinations and functionality of their lockers. Subsequently, any locker problems/concerns will be documented and rectified prior to students' arrival on September 5. Lastly, the high school's Student Government officers will be present to welcome the incoming class with an ice cream social to conclude the day's program.

In closing, I would like to take this opportunity to welcome your child and you to the Mount Sinai High School learning community. We look forward to seeing you on **August 23** and the arrival of the Class of 2022 in September.

Sincerely,

Robert M. Grable
Principal
