Dear Parents and Guardians:

As you may know, the Mount Sinai School District may utilize the implementation of a two-hour delayed opening in the event inclement weather precludes the safe arrival of our students to school at the normal time. In the event of a delayed opening, please be aware of the following:

- The start of school will be delayed for two hours. The Middle School day will begin at 10 a.m.
- Parents/guardians will be notified of a delayed opening via the School Messenger automated communication system. Please make sure that School Messenger accounts are accurate in order to receive school notifications. You may do so by visiting our District webpage and by clicking on the School Messenger tab in the Quick Links area. School closing and delayed opening information is also called into 97.5 WALK FM and News 12 for disbursement through their systems.
- Students are to report to their bus stop two hours after their regularly scheduled pick-up time. For example, a student scheduled for a 7:30 a.m. pick-up time should expect to be picked up at approximately 9:30 a.m.
- All zero period AIS classes, morning extra help and before school activities will be cancelled during a two-hour delayed opening. If a field trip is scheduled, the departure time will also be adjusted to reflect the delayed opening.
- Students will report to their homeroom classes upon arrival. All class and lunch periods will meet if a two-hour delayed opening is utilized.

On the reverse side of this letter is the abbreviated bell schedule to be followed when a two-hour delayed opening is implemented. The information is also available on the Middle School website by clicking on the bell schedule link.

As always, please feel free to contact the Middle School main office with any questions or concerns at 870-2700.
