Dear Parents/Guardians of Middle School Students:

All negative lunch balances need to be paid in full by Wednesday, May 31, 2017. There will be no further lunch charges allowed to the student's lunch account as of June 1, 2017. After this date, all lunch transactions will be **cash** only if there are no available funds in their current lunch account.

Please make every effort to visit the district website to access your child's *myschoolbucks* account and rectify any negative balance. Payments may be made by check payable to *Mt. Sinai School District*.

We want to avoid any student being in the position where they may not receive lunch. As such, your attention to this matter is greatly appreciated.

If you have any questions/concerns, please contact Marie Lane, Food Service Director at 631-870-2841.
