Dear Parents/Guardians:

Throughout the school year, various items (jackets, hats, gloves, sweatshirts, etc.) are left behind in the Middle School. In such situations, these items are placed in the school's "Lost and Found" located in the cafeteria. During lunch periods students are free to look for any items they may have misplaced or forgotten.

Periodically, we find that an abundance of apparel has accumulated. Therefore, we ask that during the weeks prior to the Thanksgiving holiday, winter recess, midwinter recess and spring recess students search the "Lost and Found" for any items they have lost. Parents are also welcome to explore the "Lost and Found" after school hours during these weeks in search for items their child(ren) may have lost.

During each of the aforementioned breaks, all items not reclaimed will be packaged and donated to local charitable organizations.

Should you have any questions, please contact the Middle School.

Sincerely,

Peter J. Pramataris
