## IMPORTANT NOTICE

Dear Parents / Guardians:

As you may be aware, a drop off and pick up lane has been created for arrival and dismissal. This has helped to greatly reduce the congestion during these times. In order to further alleviate the congestion and potential safety hazards, we are asking you to please adhere to the following:

- Utilize bus transportation as much as possible to minimize traffic.
- When using the drop off/pick up lane please pull forward as much as possible.
- During arrival, please inform your child(ren) to be ready to exit your vehicle as soon as it stops. If possible, please have them exit from the passenger side of the vehicle.
- During dismissal, the pick-up lane should be used if your child is aware they are being picked-up as school is dismissed. Students should enter the vehicle as quickly as possible so that the lane can disperse in an efficient, safe manner. If you need to wait for your child, please park in marked stalls and do not use the pick-up lane.
- Remind your children to cross at the marked crosswalks.

If you have any questions or concerns please contact us at 870-2700. Your attention to these suggestions is greatly appreciated and will foster a more efficient and safe environment when picking up or dropping off your child.

Sincerely,

Peter J. Pramataris  
Principal

Christopher W. Heil  
Assistant Principal
