March 24, 2021

Dear Mount Sinai Community,

Please read the information provided below that relates to the timeline of moving our secondary students to Phase Five.

**April 5-9** The District will follow the Phase Four schedule and assess data regarding COVID-19 cases in the middle and high schools.

**April 12-16** Grades 7-12 will begin attending school for in-person instruction on Monday, April 12. Phase Four and Monday remote days have ended.

### Terminology

**Phase Four** Monday are remote days where teachers instruct remotely according to their schedules. Students attend school Tuesday through Friday for in-person instruction.

**Phase Five** Students attend school Monday through Friday for in-person instruction.

Please note. If at any time we witness a sharp spike in our daily COVID-19 numbers, the affected school(s) will be closed and students will return to remote instruction.

Sincerely,

Gordon Brosdal
